

Public Comment Period

The BLM is initiating a 30-day public comment period specific to MVP impacts on federal lands analyzed in the FEIS. FERC's FEIS can be found at www.ferc.gov (under Documents & Filings, eLibrary, General Search, Docket Number: CP16-10). A link to the FEIS can also be found in the BLM e-Planning Documents Tab located on the left. **The BLM is now accepting comments.** The BLM public comment period will end 30 days after the **EPA Federal Register Notice for the FEIS** is officially published in the Federal Register. The BLM has activated the electronic comment submission through this e-Planning Documents Web Page. Please follow comment submission electronic submission tab on the Documents page. (<http://bit.ly/2qByLlw>).

The FERC Federal Register Notice for the FEIS was officially published 6/29/2017. The USEPA Federal Register Notice for the FEIS was officially published 6/30/2017. **Therefore, BLM will accept comments through July 31, 2017.**

To submit comments by mail please submit to:

Vicki Craft

U.S. Bureau of Land Management

Southeastern States District

273 Market Street

Flowood, MS 39232

****The BLM 30-day public comment period on the FEIS is separate from the U.S. Forest Service (USFS) 45-day public objection period on the USFS Jefferson National Forest Resource Management Plan Amendment. For more information about the USFS objection filing process visit <https://www.fs.usda.gov/detail/gwj/home/?cid=stelprd3827827>.****

The FEIS is located:

FERC- Final Environmental Impact Statement for Mountain Valley Pipeline, LLC and Equitrans, LP's Mountain Valley Project (Docket #CP16-10)
